

25th Judicial District Court

Evidence Presentation System Overview

System Highlights:

- 70 in Wall Mounted Display controlled by Judge
 - 21 inch Annotative Touch Screen Display Monitors at judges bench, both attorneys tables, witness stand and podium
 - to precisely make points for the entire room to plainly see by drawing or pointing over displayed evidence.
- Also enables witnesses to draw and/or point over displayed evidence

- Digital Presenter—used to project documents and physical evidence to video displays. Also allows for zooming.
- DVD media, We recommend you test and use your DVD/CD audio/video on your ***own laptop***. Please bring the same laptop you tested your Video/Audio on.

- VGA** and **HDMI** connections are available at the podium and both attorney's tables.
- Wireless internet access is available by selecting Public WIFI **25thCourt** and entering Password **BelleChasse301**

To Use System:

- Bring your DVD or Memory Stick and Laptop
- If you do not have a VGA connection on your laptop you will need to bring the appropriate adapter.
- Many laptops will recognize the VGA connection if connected before the laptop power is turned on. If laptop is already on when VGA is plugged in you must hit the necessary function key to send the presentation to the display. This function key varies by manufacturer.
 - You should come in and learn the system ahead of time. Schedule a time with the division and we will assist.
